SUBJECT.

Requisition for the services of Mr.G.Subbuswamy Iyer,Superintendent,Government Industrial School,Mysore,for employment full time for about 2 months,on a Sub Committee appointed by the Committee for Industries and Commerce at their 5th meeting held on the 11th November 1911, in order to study and report on the question of the feasibility or otherwise of starting a Tile and Brick Factory in the Mysore City.

****

Sir,

The prominent citizens of the Mysore City,assembled in meeting in the Public offices,Mysore,on the 16th October 1911, brought to the notice of this Committee the existence of an appreciable demand in Mysore for roofing and flooring tiles of the Mangalore pattern and the difficulties they experienced in obtaining suitable and timely supplies of these materials and desired this Committee to help them by undertaking a thorough investigation of the question and securing expert advice and guidance,with a view to starting a factory for the manufacture of tiles in the Mysore City.

2. The Committee for Industries and Commerce discussed the

question at their meeting held on the 11th November 1911 and passed the following Resolution - (2)

" That a Sub Committee composed of the marginally noted gentlemen be appointed, with the Secretary as convener, to investigate the question and to favour the Committee with their report and recommendations, if possible by the 31st of January 1912; and that the Education Department be requested to spare the services of Mr.Subbuswamy Iyer for the purpose for a period not exceeding two months".

E.W.Wetherall, Esq.,
V.Rungasawmy Iyengar, Esq.
G.Subbuswamy Iyer, Esq.
Member & Secretary

3. A subsequent examination of the Railway figures pertaining to the imports of tiles into the Mysore City from Feroke, Mangalore and Bangalore, showed that about six lakhs of tiles had been delivered in Mysore from the middle of February 1910 to end of November 1911. Out of this, one lakh and thirty thousand were ordered by Government agencies.

4. Mr.Subbuswamy Iyer has already studied the question in some detail in connection with development of the pottery branch of the Mysore Industrial School and also in connection with the attempt made by some of the citizens some 5 years ago to start a tile factory in Mysore, and his services will, therefore, be useful in this connection.

5. I am accordingly desired to submit for your sanction, the recommendation of the Committee, as per resolution quoted ante, viz., to authorize the Education Department to depute Mr.G.Subbswamy Iyer for special duty for a period not exceeding 2 months. A special allowance of not less than Rs.75 per month may kindly be sanctioned during the period of such deputation. Both salary and allowances for the period will be met from the funds at the disposal of this Committee.

6. The Committee for Industries and Commerce would like to have the report of the Sub Committee on the question by the end of February next. Very early sanction to the proposal is requested. I beg that the general sanction may not be delayed

(3)

for the sake of determining the allowance or other details.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman,

Industries & Commerce Section.

G.R.S. 28.]
